

Angelina:

What do you care? Well you shouldn't. No one should. Because. Because, I'm horrible. I am.

You don't know me. You don't know what I've done. No, it's a whole lot fucking worse than being drunk. Yes, I'm drunk, but it doesn't fucking matter. Because. Because, I'm shit. You don't know. Just leave me alone okay. Hey, hey, hey. Tell him to leave me alone will you. He won't fucking listen. Don't touch me. I said leave me alone. (Pause) I've got to get going. I don't know where. That's not your problem. I'm not your problem. I'm just a problem. No, please don't call anyone. They'll throw me in jail. No. Not because I'm drunk. Because I was drunk. Because. I've got a warrant out and they'll throw me in jail. Drunk driving. I know I'm not driving now. I don't even fucking have a car anymore. You should just go. (Pause) You're being a good person. Will you make him leave. I'm not a good person. I'm awful. I fuck everything up. Tell him to leave. What? I don't know where my parents are. Probably at their house. I don't know. I'm a lot older than you think I am. I don't care about them. Those guys over there aren't are a threat. I don't care about them (*yelling*). So, what. It doesn't fucking matter. Please help. Tell him to just leave me alone. I can't go home. I don't live with my parents. I've made my own mistakes. No, there isn't anyone to call. No, because they'll throw me in jail. I just left. No. Not the jail. That place. Who the fuck lights up and smokes crack in a half-way house? I had to get outta there. So I left. Then I drank. So I drank. I'm drunk. So what? I'm not a good person. No. You don't know. I'm not. I've done bad things. I was a whore. I was. I just did bad things. I've got a warrant out on me for drunk driving. You should just go away and leave me alone. It doesn't matter if something happens to me. Maybe I deserve it. Maybe that's just what happens. So what. You don't need my parents number. I don't live with them anymore. No, they didn't throw me out. What the fuck? They should have. If they knew half the shit I did they would. I don't care if you have kids. I'm not your kid. Well, then fucking stop acting like it. I just want to walk. I can walk wherever I want. Then why do you keep following me. Tell him to get the fuck away from me.

Maybe I want to talk with them. Maybe I want something bad to happen. Would you just fucking listen. I'm bad I've got a warrant, I've been a prostitute, I'm drunk and I want some crack. I left cause they were lighting up. Who the fuck does that at a half-way house. God I hope they are selling. Yes, I do. Yes, I do want some crack. No I won't stop yelling. So what. Let 'em come maybe I deserve it. Maybe they should just throw me in jail. No, don't call them. No, please don't. Why won't you just leave me alone? Tell him to fucking go away. Why you don't you go take care of your kids. They're probably good kids. Just cause they're older than me doesn't mean they can't be kids. They're your kids. Right. Are they good. Yah, but they're not really bad. Right? I just gotta walk. Because I'm gonna find some crack. I told you I'm an awful fucking person. I know it's horrible to want crack. I know I'm just gonna want some more. I know that. It's big fucking hole. But that's where I wanna be. Fine. Whatever. I'm gonna walk. If you fucking follow me I'll yell rape and then we'll both fucking go to jail. Then your kids will wonder how good you are. What are you looking at? You can leave too. You're not helping. You wouldn't even make him leave. Do you have anything? Gotta rock. I didn't fucking think so. Leave me alone. I

deserve to be alone.

(Walks off)
